

Conor McCutcheon

Graphic Designer & Production Specialist · Notary Public

consistency.ink | Yonkers, NY | conormcc.edits@gmail.com

SUMMARY

Graphic Designer and Production Specialist with hands-on experience in wide-format print production, vinyl plotting, lamination, prepress, and brand identity design. Proficient in the full Adobe Creative Cloud suite with a strong eye for detail and brand consistency. Additional background in video editing, drone operation, and social & digital content creation. New York State Notary Public commissioned through 2029.

EXPERIENCE

Graphic Designer & Production Specialist · FASTSIGNS, New Rochelle, NY

November 2025 – Present

- Operate and maintain wide-format inkjet printers, including daily print head nozzle checks and hardware troubleshooting.
- Execute full print production workflow: file prep, color output, lamination, vinyl plotting, and substrate finishing.
- Prepare client files for production — vectorizing artwork, enforcing brand guidelines, and optimizing for print.
- Design signage, wayfinding systems, logos, and branded materials from scratch for diverse clients.
- Manage simultaneous print jobs while maintaining quality control and meeting tight turnaround deadlines.

Graphic Designer & Notary Public · The UPS Store, Yonkers, NY

August 2024 – November 2025

- Handled custom design and print projects for walk-in clients, including business cards, banners, and marketing materials.
- Provided notarial services for legal and real estate documents as a commissioned NY State Notary Public.
- Trained team members on design software and print equipment operation.

Freelance Graphic Designer & Video Editor · Independent, Westchester, NY

2023 – Present

- Developed brand identity work including logo design, visual systems, and digital assets for independent clients.
- Shot and edited video content for events and digital platforms; managed camera equipment and post-production workflows.
- Maintain personal portfolio site (consistency.ink) — a custom-coded interactive experience built in HTML, CSS, and JavaScript.

EDUCATION

Bachelor of Arts, Graphic Design, Minor in Film & Media Studies.

SUNY Buffalo, Graduated 2023.

LICENSES & CREDENTIALS

- Certified Notary Public, New York State — Commissioned 2025–2029
- FAA TRUST Drone Certification, 2025
- Winner, NHTSA National Video Entry Contest, 2023
